Task 2: Log on to your Letterboxd accounts and have a look at the wider reading list that we have created. What we would like you to do is watch and write reviews on 3 Films.

a) A Global Film (see City of God and Pan's Labyrinth wider watching lists)

b) An experimental film (see Pulp Fiction wider watching list)

c) Any film of your choice. It can be one you have seen before or something new!

It is important that you not only watch related films to deepen your understanding of the ones we will study, but also that you make reviews to improve how to write and think like a critic.
