From result day to 13 September 2021	Window for students to request a stage 2 appeal
From result day to 17 September 2021	Centres submit appeals to awarding organisations

What may happen to your grade during the centre review and appeals process?

If you request a centre review or an awarding organisation appeal there are three possible outcomes:

- **Your original grade is lowered**, so your final grade will be lower than the original grade you received.
- **Your original grade is confirmed**, so there is no change to your grade.
- **Your original grade is raised**, so your final grade will be higher than the original grade you received.

Once a finding has been made you cannot withdraw your request for a centre review or appeal. If your grade has been lowered you will not be able to revert back to the original grade you received on results day.
