

Post-Results-Services Available

Centres must obtain written candidate consent for clerical re-checks and reviews of marking, as with these services, candidates' marks and subject grades may be lowered.

Service 1 (Clerical re-check)

The awarding body must receive the request by **28th September 2023**.

This service will include the following checks:

- that all parts of the script have been marked;
- the totalling of marks;
- the recording of marks.

Only Service 1 clerical re-checks can be requested for objective tests (multiple-choice tests).

Service 2 (Review of marking)

This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly.

Reviewers will not re-mark the script. They will only act to correct any errors identified in the original marking.

The service is available for externally assessed components of both unitised and linear GCE AS, A-level and GCSE specifications. This service is also available for Cambridge Nationals, Cambridge Technicals, Level 1, 2 and 3 certificates and BTEC qualifications.

The awarding body must receive the request by 28th September 2023.

This service will include the following checks:

- the clerical re-checks detailed in Service 1;
- a review of marking as described above.

Priority Service 2 (Review of marking)

The service is available for externally assessed components of both unitised and linear GCE A-level specifications as well as Level 3 Cambridge Technicals and BTEC qualifications.

This is a priority review of the original marking to ensure that the mark scheme has been applied correctly.

Reviewers will not re-mark the script. They will only act to correct any errors identified in the original marking.

Important: Awarding bodies strongly advise candidates and/or their centres to inform their university or college choices that a review of results has been requested. By informing them, they may be able to keep the candidate's place open until the review has been completed.

The awarding body must receive the request no later than 24 August 2023.

Service 3 (Review of moderation)

This is a review of the original moderation to ensure that the assessment criteria have been fairly, reliably and consistently applied. It is not a re-moderation of candidates' work.

Candidate consent is not required. The awarding body must receive the request by **28 September 2023**.
