

CONSULTATION NOTICE

Consultation Notice on the proposed Admission Arrangements for 2023/24 Southfields Academy, 333 Merton Road, London SW18 5JU

Over the past few years, the number of children applying for secondary school in Wandsworth and across London has been falling. This trend is forecast to continue and has recently been accelerated by the pandemic which has resulted in some families making the decision to relocate outside of London.

Southfields Academy admits approximately 200 students each year, with this number increasing over subsequent years due to in-year transfers into Southfields Academy in Year 7 and Year 8.

As a result of the above, our Governing Body has decided that our Published Admission Number (PAN) which currently stands at 249 should be reduced to 210, or seven forms of entry.

This will enable us to continue to place our Year 7 students in smaller groupings for lessons and will not affect staffing numbers at the Academy.

Attached to this notice is a copy of our Arrangements for Admissions for 2023/24 with supporting documentation.

This consultation is for the attention of:

- a) parents of children between the ages of two and eleven years old
- b) other persons in the area who have an interest in the proposed arrangements
- c) all other admission authorities within the local area
- d) the local authority (Wandsworth Borough Council)
- e) any adjoining neighbouring local authorities

The consultation period is open for 6 weeks from **8 November to 22 December 2021** and comments should be submitted in writing to:

Jacqueline Valin
CEO/Principal
Southfields Academy
333 Merton Road
Southfields
London SW18 5JU

Alternatively you can email your comments to the school's email address: info@southfieldsacademy.com

Following the consultation period all submitted comments will be considered at a Governors' meeting and the final arrangements will be published on the school website after 28 February 2022.

Southfields Academy Proposed Admissions Policy 2023-24

ADMISSION NUMBER

Southfields Academy is an academy school for pupils ages 11-18. The academy trustees of the school are responsible for the arrangements for admitting children. The school will admit 210 pupils to Year 7 in September 2023.

OVERSUBSCRIPTION CRITERIA

Places will first be offered to children with a Statement of Special Educational Needs or Education Health and Care Plan which names the academy. These children will be included in the overall admission number for the academy. In the event of oversubscription, the remaining places will then be allocated in the following order of priority as follows:

1. Children in public care (children looked after) and those who ceased to be children looked after because they were adopted, or because they became subject to a residence order, child arrangements order or a special guardianship order. This includes those children who appear to the Academy Trustees to have been in state care outside of England and ceased to be in state care as a result of being adopted (See Note 1).
2. Children with a known special medical or social need, who in the opinion of the Governing Body would be suitably provided for in the Academy. (See Note 2)
3. Children who have a sibling on the roll of the school at the time of admission. (See Note 3)
4. Children who live nearest to the school, using a straight line measurement from home to school as calculated by Wandsworth Council's Geographical Information System (See Note 4).
5. If there are more applications than places within any category, applications will be considered in order of straight line distance from home to school as measured by Wandsworth Council's Geographical Information System (note 4)

NOTES:

1. A child looked after is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. An adopted child is defined by section 46 of the Adoption and Children Act 2002 or section 12 of the Adoption Act 1976. A residence order is defined by section 8 of the Children Act 1989. A child arrangement order is defined by section 8 of the Children Act 1989 as

amended by section 14 of the Children and families Act 2014. A special guardianship order is defined by section 14A of the Children Act 1989. Priority under this criterion will also be given to those children who appear to the Local Authority to have been in state care outside of England and ceased to be in state care as a result of being adopted. Documentary evidence will be required in all circumstances.

2. Applications made on exceptional medical grounds must be supported by a current letter from a specialist health professional. Applications made on exceptional social grounds must be supported by a current letter from a social worker or other care professional working with the family. The letters must give reasons why the child's condition or circumstances make it necessary for the child to attend the school, and the difficulties that would be caused if the child had to attend an alternative school. If this information is not provided by the application closing date, the application will not be considered under this criterion.
3. A sibling is a full brother or sister, a step/half brother or sister living at the same address, a child who is living as part of the family by reason of a court order, or a child who has been placed with foster carers as a result of being looked after by a local authority.
4. The straight-line measurement used to prioritise applicants for admission to schools in Wandsworth commences in all cases at the location of the property and terminates at the central point of the school site as determined by Wandsworth Council's Geographical Information System. Measurements by alternative systems and/or to other points will not be taken into account in any circumstances. Where applicants have identical distance measurements, priority amongst them will be determined at random.
5. The permanent address of the parent/guardian with whom the child is living on the closing date for applications will be used for this purpose and this must be the address where the family normally lives. Parents are not permitted to use a temporary address to secure a school place for the child. A business address, a childminder's address, or any address including a family member's address other than the child's permanent home will not be accepted. Proof of address will be sought and if there is any doubt about the validity of the address given it may be the subject of further investigation. Please see the "Choose a Wandsworth Secondary School" admissions brochure for further information.
6. Where a child lives with parents with shared custody/responsibility, the address where the child spends the majority of the week should be used by parents for the school application. If there is a genuine 50/50 shared arrangement in place, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence.

In cases where an agreement cannot be reached between the parents and Child Benefit is claimed, the address that is registered for this claim will be used. Additional proof may be requested, eg court order or a solicitor's letter to confirm the arrangements.

ADDITIONAL INFORMATION

Method of Application for Year 7

Parents/carers must apply on the Common Application Form of the local authority where they live. This can be completed online via www.wandsworth.gov.uk/admissions or on a paper form available from the school or their local council's School Admissions Team. The closing date for Year 7 applications will be 31 October 2020. Notification letters will be sent out on 1 March 2021. Applications received after the set closing date will be accepted but will not normally be considered for a place at the school until after the initial offer date.

Waiting List

Unsuccessful applicants (including any applications received after the closing date) will be included on the school's waiting list ranked in order of priority under the published oversubscription criteria, without regard to the date that the application was received. Please note a child's position on the waiting list can go down as well as up. For example, if a new application is received or if a child on the list moves nearer to the school, the waiting list may need to be revised. The offer of a place does not depend on the length of time your child's name has been on the waiting list.

Appeals

Parents who are not offered a place for their child have the right to appeal to an independent appeal panel. Further information will be provided in the notification letter. The school will publish an appeals timetable annually on its website showing the relevant deadlines.
