

Equipment

- At least 2 **black** pens
- Ruler, preferably 30 cm
- At least 2 **HB** pencils
- Pencil sharpener
- Eraser
- Pair of compasses
- Protractor
- Colouring pencils
- A non-programmable scientific calculator (please speak to your mathematics teacher if you are unsure about which one to buy).

Correction fluid or corrective pens are not allowed to be used in examinations.

Your pencil case must be transparent. Examination compliant pencil cases can be bought at the Academy, or your equipment must be in a transparent bag.

Drinking water is permitted but must be in an unlabelled transparent bottle, no larger than 500ml.

For mathematics and science examinations, students should check that their calculators are working and conform to examinations regulations. If in doubt your son/daughter must check with their mathematics or science teacher.
