

Timetables and Statements of Entry

Statements of Entry

All students sitting public examinations will be given a statement of entry which will stipulate all of the public examinations they have been entered for, along with the dates and times. If there are mistakes, omissions or clashes then the examinations officer (Mr Campbell) must be informed as soon as possible (students may speak to their tutor about this).

Am sessions begin at 09.00

Pm sessions begin at 13.30

Students are responsible for knowing the time and dates of their examinations. Please support your son/daughter in noting where they need to be and at what times.

Timetables

The timetables of public examinations will be available on the website. These are correct at the time of publishing. Changes are unlikely, but circumstances may cause start times to differ from those on the timetable. If changes are necessary, candidates will be notified in advance
