Year 10 Mock Examinations
Monday 23rd June- Wednesday 1st July 2025

**Southfields
Academy**

Dear Parent/Carer,

All Year 10 students will be sitting mock examinations between **Monday 23rd June- Wednesday 2nd July**. Students are expected to attend school as normal and when they do not have an exam they will be in normal timetabled lessons.

Students should arrive to school as normal at 8.20am and attend am registration as normal. They should then line up in their dedicated areas in the tennis courts. The school day will end slightly later on a few occasions when students have afternoon exams; please check the attached timetable carefully and where there are instances where students collect younger siblings from school, alternative arrangements may need to be made.

It is vital students understand the importance of these exams. They provide an opportunity for students to practise completing examinations in subjects they study. In some areas the grades will inform tiers of entry (foundation/higher papers) and the class sets that students are placed in for Year 11.

It is important that your son/daughter is preparing for these examinations at home. They should be revising using revision guides, their exercise books, revision websites and past papers on the internet. All students have been provided with a revision checklist resource outlining the content of every examination they are about to sit.

The examination timetable is attached. Please read through it with your son/daughter to make sure they know when they need to be in an examination and what equipment they need for each examination. Please display a copy of the exam timetable at home and ensure that your son/daughter has their own copy.

Please help your son/daughter to do their best in the examinations by reinforcing the examination expectations outlined below:

- Arrive on time to all exams in full school uniform.
- Line up sensibly in the playground before the start of each exam.
- Enter the venue in silence, put bags and coats in the allocated place in the hall and then take their seats as quickly as possible without talking.
- Have the correct equipment for each examination – at least 2 pens (should be black ink), pencils, rubber, ruler and any subject specific equipment necessary. This equipment should be kept in a plastic, see-through bag.
- Mobile phones must be turned off, and either left at home or in their bags. Phones cannot be in students' pockets during exams.

Students' conduct in these exams must be perfect. Failure to behave in any manner other than that may result in non-entry for final examinations at our centre.

I hope all students achieve well in these exams. Good results should show students what they are capable of achieving; poor results should encourage students to take responsibility for their progress and address where they went wrong.
