Ethos statement: We believe that through individual commitment, self discipline, integrity and respect for others, we inspire everyone to learn.

Year 9 – Ms Minto

The Year 9 team would like to thank all parents and carers for their support with the Year 8 graduation. It was a fantastic ceremony and the young people looked amazing. We hope they all had a relaxing summer and welcome them into Year 9 ready to begin the next chapter in their lives commencing their GCSE's. This is a scary and exciting time for the young people as they will inevitably have more work to contend with, but it will be in subjects that they have chosen and will hopefully enjoy taking part in.

A number of Year 9 tutors ventured off at the end of last academic year, we wish them well and say goodbye and we would also like to welcome Ms Clark to the Year 9 tutor team alongside Ms Gill, Mr Pinder, Mr Carroll, Ms Mosca and Ms Perera.

We also welcomed some new students this academic year and hope they settle in at Southfields Academy and enjoy their time here.

A very exciting opportunity (Leanne's Amazing Medics) is coming up in October for students who may be interested in the medical field. More information will be given to the students in assembly in the coming weeks.

Once again, we thank you for your continued support in ensuring that the year group continue in full school uniform, carry the correct equipment and behave in accordance to the school rules.
