

## Provider Access Statement

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Our provision includes various opportunities for students to access a range of events. These are mainly integrated into the school's careers programme and curriculum. These events are therefore delivered internally, with considerable contribution from external providers.

A provider wishing to request access should contact Mr S Parsons, via the school's contact details.

The school policy on safeguarding sets out the school's approach to allowing providers into school as visitors to talk to our students.

Once visits have been agreed, the school will provide appropriate rooming to facilitate the visit, along with any equipment requested by the provider, where it is available.

Providers are also welcome to leave a copy of their prospectus or other relevant course literature, which will be made available in the careers room. Please ensure this literature is marked for the attention of Mr S Parsons.
