

Southfields' Spirit Week Commencing 27th April 2020

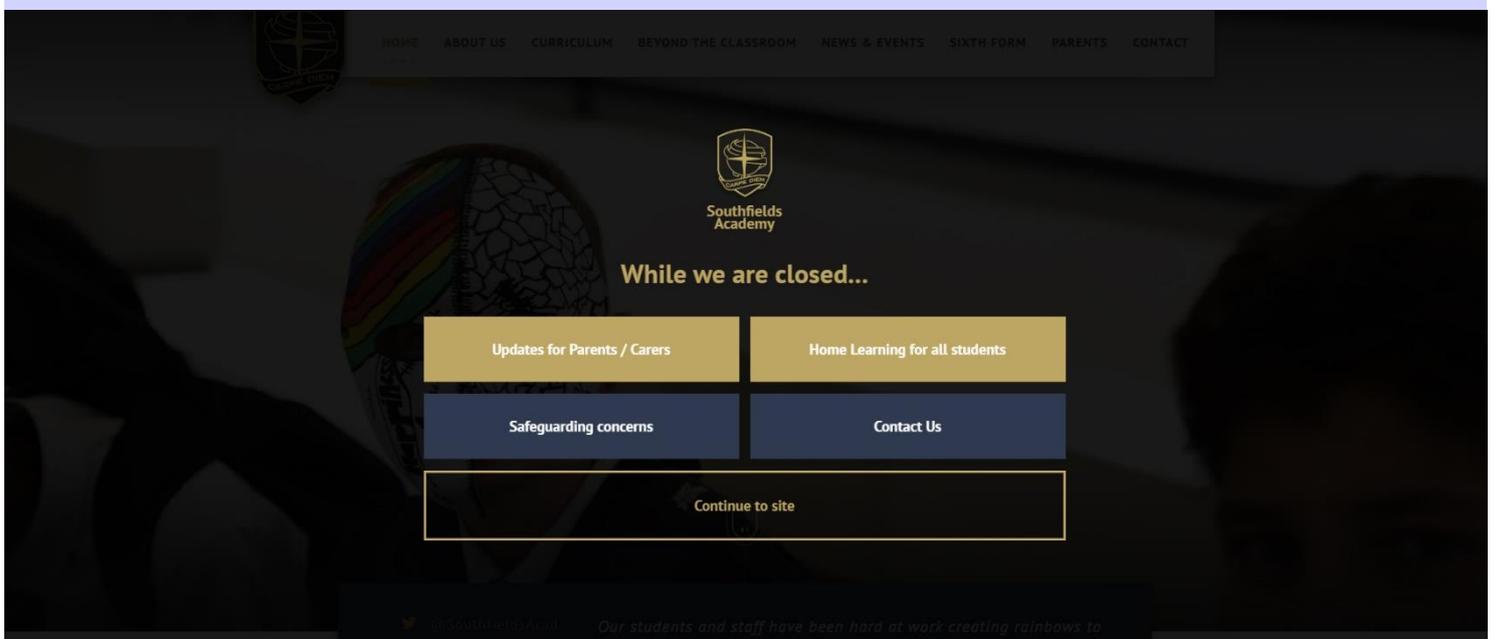

Ethos statement: We believe that through individual commitment, self-discipline, integrity and respect for others, we inspire everyone to learn.

Thought for the Week

“You are today where your thoughts have brought you; you will be tomorrow where your thoughts take you.”
James Allen, author

Home Learning Resources

Thank you to those parents who have given us feedback about home learning resources. To make it easier for you to find the work that your child should be completing while at home, we have redesigned our website so that the work can be located quickly and easily. Please see the new layout of the front page below. We hope this helps to support you with your child's home learning and, again, we thank you for all your efforts.

Masterclass Readers

Huge congratulations to the students in 09R-En1 and Ms LeGrande for becoming a “masterclass” as part of the Accelerated Reader programme! We are all very proud of you!

Renaissance Learning, who manage the Accelerated Reader programme, have also given them a round of applause and a shout out on social media.

@RenLearnUK

Replying to @SouthfieldsAcad

You ROCK, 9R-En1! 🙌🙌🙌

Our PE Department's Challenge To You

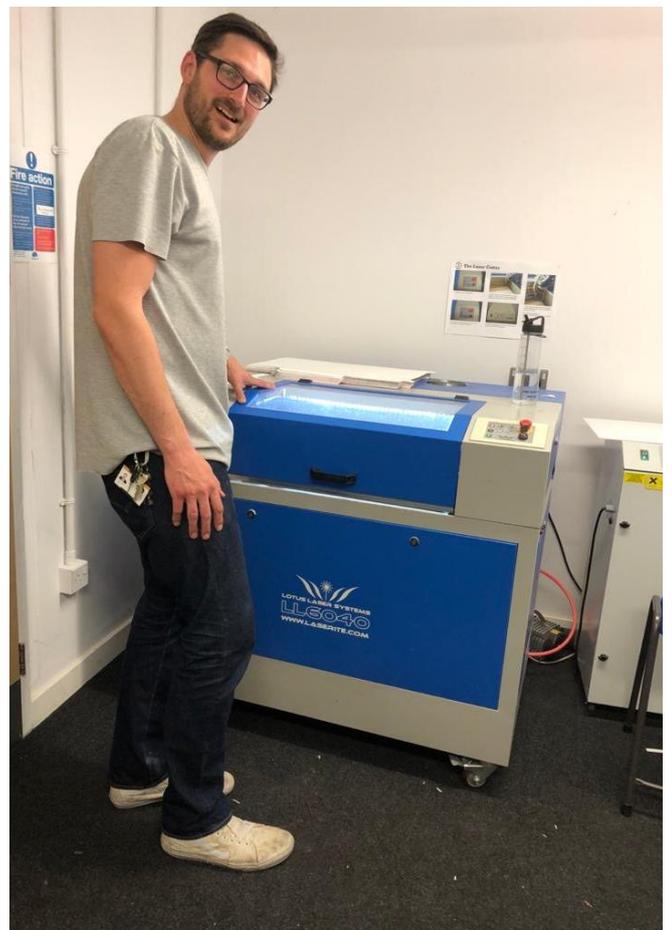

The PE Department have launched home challenges this week! Each week a new challenge will be set, with a demonstration video to support. Please see the Academy's social media pages for more details. This week, Mr Munro is challenging students (and parents!) to a one minute press up challenge. Can you beat his record? Let us know how you do.

PPE for the NHS

Working collaboratively with our colleagues at schools across Surrey (St Edmund's School, Feltonfleet School, Broadwater School and Aldro School), our ADT department have been working to provide more than 1,400 facemasks for NHS workers on the ITU wards of local hospitals.

We are proud to be doing our bit to show our appreciation and support for NHS workers and to keep them safe while they save lives.

Rainbows for the NHS

Our students and staff have been hard at work creating rainbows to show the Academy's support for our amazing NHS workers. These have been displayed in the windows of the Academy to join all the others in the local community.

It is a little way we can say thank you to the incredible work that NHS doctors, nurses and staff are doing at this time to keep us all healthy, safe and well.

Pastoral Care and Year Group Google Classrooms – Ms Marshall, Assistant Headteacher, Pastoral

Despite your Head of Year not seeing you every day, they have not stopped thinking and talking about you – when they see me, when I call them, when they message me and when they email me! These are some of the thoughts they have been sharing with me:

-I wonder how student A is getting on at home?

-I wonder if student B is bored?

-I wonder if student C is managing to keep up with his schoolwork and his reading? He can sometimes be so disorganised!

Whilst some of you may have received calls from your Head of Year, one way that you can stay in touch with them, and others in your year group, is through your year group's Google Classroom. Your Head of Year will frequently post in there, so please respond if they ask you to check in! If you have difficulty accessing it, for whatever reason, but you can access your email account (many of you have Gmail or other email accounts), please do send them an email:

Jemma.hughes@southfieldsacademy.com

Judy.douglas@southfieldsacademy.com

Fran.lindau@southfieldsacademy.com

Diran.arthur@southfieldsacademy.com

Tara.minto@southfieldsacademy.com

If you follow the Academy's social media accounts, look out for some messages from the Heads of Year coming soon...

Take care
Ms Marshall
