Welcome to Our New Year 7 Students – Ms Lindau

Wednesday 6th September was the first day for our fabulous new intake of Year 7 students. They arrived promptly, a little nervous, but smart in their new uniforms and ready to start their secondary school career at Southfields Academy. Their behaviour around the school so far has been fantastic, and they have taken their reading and maths assessments in a calm and serious manner befitting the challenges which come with the transition to secondary school.

We hope they will all be very happy at Southfields and will make good progress with their journey in education.
